

# My Visual Planner

This visual planner will help you plan your visit to Hurstville Museum & Gallery.

## How to use this Visual Planner

1. Print out the checklist on page 2 five times and the picture cards on pages 3-5.
2. The picture cards on page 3 show the different galleries and spaces at Hurstville Museum & Gallery. Information on what is in each space can be found at: [www.georgesriver.nsw.gov.au/HMG - Exhibitions](http://www.georgesriver.nsw.gov.au/HMG - Exhibitions)
3. The picture cards on pages 4-5 show actions you can do at the Museum & Gallery.
4. Cut out the picture cards of the spaces you would like to visit and the activities you would like to do and stick these cards into the middle column of the checklist.
5. You can leave some steps on your checklist empty so that you can add more picture cards while you are at the Museum & Gallery.
6. You might also like to print out an empty checklist and extra picture cards to create another checklist while at the Museum & Gallery.
7. When you are at the Museum & Gallery and have completed an activity on your checklist you can add a tick to the "completed" column.
